

**TRI
MATIC**

The image features the 'TRI MATIC' logo in a bold, black, sans-serif font, centered within a light blue triangle. The background is a dynamic composition of blue and white. A large, sweeping white curve originates from the right side and arcs towards the bottom left. Below this, there are several overlapping, curved bands of blue in various shades, creating a sense of depth and movement. The overall aesthetic is modern and clean.

Deals with Pressure reducing valves of Trumatic

TRI-IN-LINE ECOBRASS®

Pre-set pressure regulator for drinking water, lead free (Eco brass)

TRI-IN-LINE ECOREG®

Pre-set pressure regulator made of Grivory (synthetic material) for drinking water, FDA-conform
